

LTF LINKABLE UNDERCABINET

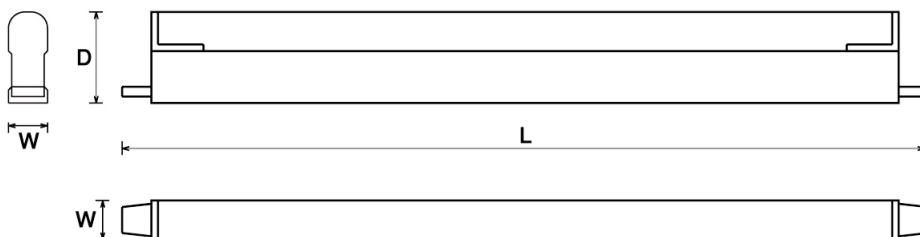

DESCRIPTION

Extremely thin enclosed strip light perfect for use under cabinets, work benches, office shelves, inside display cases, and anywhere bright but discrete light is needed. Only 3/4" wide and less than 1 3/4" tall.

Comes in four lengths to use alone or combine them to fit any situation.

Mounting: Fixtures are surface mounted using 2 included quick clips designed for sideways, upside down, vertical, or horizontal applications. Can be installed as individual units or up to 10 fixtures in continuous rows with built in direct connectors or optional connector cables.

CONSTRUCTION

Housing: Extruded aluminum housing with clear acrylic ribbed snap-on diffuser.

Finish: Matte chrome or baked white enamel housing available.

ELECTRICAL

120V, 60Hz, AC, instant on solid state electronic ballast built in to each fixture. Plugs in to any standard wall outlet or direct wire with optional hardwire box and connector cable. Built-in on/off switch included.

OPTIONS

Add "W" or "MC" for white or matte chrome fixture
Add "WW" for warm white lamps
Cords available in
